---

It's time to celebrate! The Organization of Public Safety Dispatchers (OPST) is asking you to join us in recognizing the outstanding work and accomplishments of our public safety dispatchers over the past year. OPST is comprised of Call Takers, Dispatchers, Supervisors and Managers from the 9-1-1 Public Safety agencies in Placer, El Dorado, Nevada, Sacramento and Yolo counties, including state agencies.

Each year, during the second week of April, the nation recognizes National Telecommunicators Week. This year, we will celebrate with our 24<sup>th</sup> annual awards banquet and fundraising event on Saturday, April 4<sup>th</sup>, 2020. Our annual banquet is regularly attended by over 400 public safety professionals, community members and corporate sponsors and serves as our opportunity to present TELECOMMUNICATOR OF THE YEAR awards to employees serving 18 agencies and dispatch centers. Our awards banquet is a much-anticipated event that includes dinner, presentations, raffle drawings, silent auction and time for everyone to meet the people behind the voices that we hear on the radio and 911 lines.

In addition to showing appreciation and recognizing the outstanding work of our public safety professionals we also donate the proceeds of this event to charitable 503(c)(3) organization selected by the host agency. This year Placer County Sheriff's Office is hosting the event and has selected the First Responder Support Network's West Coast Post-Trauma Retreat by way of financial assistance for Public Safety Dispatchers.

We would not be able to hold our annual awards banquet each year without support from our community, small businesses and corporate sponsors. How can you help to support us? It's easy. You can help to support OPST and your Public Safety Telecommunicators with a donation of a raffle prize, silent auction item or as a financial sponsor.

More information about financial sponsorship and donations is detailed on the attached page. OPST is a 501(c)(6) non-profit organization and all contributions are tax deductible. Our tax ID number is 91-1768623.

We hope you and your company or business will be able to help us by joining and contributing to our event. We appreciate your support of our organization, Public Safety Telecommunicators and the charities we serve.

Best Regards,

MOLLY SCOTT

OPST President

Dispatch Supervisor, Yolo Emergency Communications Agency (YECA)
